IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re United States Letters Patent of
James R. Whitney
U.S. Patent 4,701,069
Dated: October 20, 1987
Title: Rain Drainage Grooves in a Road and Apparatus
for Making Them

REQUEST FOR ISSUANCE OF CERTIFICATE OF CORRECTION

APPROVED

Commissioner of Patents and Trademarks
Washington, D. C. 20231

MAR 10 1988
FOR THE COMMISSIONER OF
PATENTS & TRADEMARKS

James R. Whitney requests that a Certificate of Correction be issued in the captioned patent in accordance with the attached two copies of Form PTO-76-22 in which the requested correction is noted.

Patent claim 2 corresponds to application claim 11. Application claim 11 is dependent on application claim 10.

Patent claim 1 corresponds to application claim 10. Therefore, patent claim 2 should depend on patent claim 1.

This is shown in the accompanying copy of an Amendment filed June 1, 1987. From pages 2 and 3 of this copy, the Commissioner can readily verify the above statements.

It appears that this error was due to a PTO mistake and, therefore, there should be no fee for issuance of the Certificate of Correction.
